Top Skills

Web Application Development

Front-End Design

Cascading Style Sheets (CSS)

Uzair Abdullah

Junior Frontend Developer at Invotyx
Rawalpindi, Punjab, Pakistan

Summary

Two years into the industry, my commitment to perfecting digital experiences burns brighter than ever. My journey encompasses Frontend web development, Game development, and Roku app creation.

My technical skills are:

- > React JS
- > Unity C#
- > Roku Brightscript SDK
- > React-Native
- > JavaScript
- > HTML/CSS

My soft skills are:

- > Hard work
- > Problem-solving
- > Teamwork
- > Good communication
- > Eager to help others

Here's a breakdown of my industry experience:

- > 1 year of Front-end web development using React JS
- > 4 months of Game development with Buildbox and Unity
- > 1 year of Roku development with Roku Brightscript SDK
